Canada Post supplies

Shipping supplies keep your
business running smoothly

Looking for shipping supplies?

Look no further!

Whether you are picking and packing customer orders or shipping important documents between locations, you need supplies that enable you to ship seamlessly. As a Canada Post commercial customer, you have exclusive access to our suite of supplies designed to simplify shipping within our network.

Free shipping supplies are available to commercial customers¹. This gives you access to supplies that can help in your fulfilment practices and includes access to blank thermal labels, Flexipacks™ and label pouches.

Specialized shipping services that meet your shipping needs, including our flat rate Prepaid envelopes for convenient shipping or our Carbon-Neutral Shipping stickers for your domestic ground services shipments for Regular Parcel™ and Expedited Parcel™ shipping services.

Ordering supplies is fast, easy and reliable.

Ordering and managing your supplies can be done online through our online shop, by contacting our Order Desk or through your sales representative.

Online shop. Simply go to canadapost.ca/shop and create an account or login using your existing customer account number. Once logged in, click the “shop” banner to:

- Order products, checkout and pay (if applicable).
- Receive order notifications, shipping notifications and a tracking number on paid products.

Order desk: For products that are not available online or for additional support, our Order Desk is happy to help. Make sure you have your customer number available.

- Call us at 1-866-757-5480²
- Send an email to commercial.orderdesk@canadapost.ca

Sales representative: You may also contact your sales representative directly for more information or to order supplies.

Important note: The maximum quantity ordered must not exceed the equivalent of three months' worth of shipping volume.

1. Exceptions and conditions apply for our Solutions for Small Business customers.

PREPAID

Prepaid envelopes and labels are the perfect solution for shipping important documents, small products, and regular-sized packages with the convenience and simplicity of flat rate pricing so you can manage costs and save time.

Prepaid envelopes are available in different formats and materials – they are the perfect solution for shipping important documents and small products. New design in 2024.¹

Prepaid labels have the convenience and simplicity of flat rate pricing. Labels are available in different sizes.

Prepaid products include tracking, delivery confirmation, free liability coverage (up to \$100) and on-time delivery guarantee.²

1. The design of the Xpresspost™ and Priority™ Prepaid envelopes will be changing. The redesigned envelopes will be gradually released into production in late 2024 and into 2025 as stock of the current design is depleted at the warehouse. All product pictures within this document reflects the updated design.

2. Delivery standards are based on normal delivery conditions and are subject to change without notice. The on-time delivery guarantee may be modified during peak periods (see canadapost.ca/notice) or suspended due to causes beyond Canada Post's reasonable control, including, but not limited to, acts of God, epidemics, labour disruptions, delays in customs, equipment failures or unanticipated surges in volume.

102264

Signature Required stickers – Pack of 3

The Signature Required stickers can be purchased in advance and applied to Xpresspost™ Prepaid envelopes (with label) when required, as well as on manual shipping labels for other domestic parcel services. These stickers are used to help provide a visual cue to our staff when processing and delivering.

Simply peel and apply the sticker to the designated area on the back of the envelope for signature to be captured on delivery.

PRODUCT INFORMATION

Offered in two quantity formats:

- Single sheet of 25 stickers for large-volume shippers
- Convenient three-pack format for occasional usage

IMPORTANT NOTES

- Can be applied to all Xpresspost™ Prepaid envelopes with label regardless of the size (cardboard or cushioned).
- If you are processing your shipment using Canada Post's Electronic Shipping Tools or a customer-developed/third-party shipping system, select the signature option rather than applying a Signature sticker to your item.
- Can be added to Prepaid envelopes that do not have signature options already added (the Priority service has the signature option at no extra charge).
